## Global Accelerator on Jobs and Social Protection for Just Transitions

Timetable

English/French/Spanish

A9019265

A9019284

from:

09/02/2026

to:

13/02/2026

17:00 – 18:00	Meet with TSF			
19:00 – 21:00	Welcome cocktail		Farewell dinner	

### Online Pre-Learning Sessions:

- **Optimizing the Global Accelerator and M-GA for Impact:** Conceptual foundations, objectives, and ambition
- **Country-Led Processes:** Developing and implementing national roadmaps
- **Getting Ready for the In-Person Training:** Structure, objectives, and expected outcomes

### Throughout the whole training there will be:

- **Constituency group meetings** structured around the specific demands and needs of each group.
- **Communication corners** during coffee and lunch breaks to conduct interviews with participants for blog posts, short stories, and videos. An online calendar to register for these sessions will be circulated.
- **Country corners** where each country delegation will showcase their reflections, key takeaways, and ideas for advancing the implementation of their Global Accelerator roadmap.
- **Meet the donors** where countries and UN staff can interact with donors and partners on possible engagements at country level – to be confirmed on Tuesday or Wednesday (8h30-9h, or after 17h)
- **Meet the experts**, where each pathfinder country will schedule a slot to have a one-to-one discussion with TSF on ongoing process, challenges and need for technical support (an online calendar will be circulated)

### Deep-Dive 1: Designing and Applying Integrated Approaches – Parallel Sessions:

1. Linking ALMPs, Skills and Social Protection
2. Pathways to Formalisation through Jobs and Social Protection Linkages
3. Integration through targeted populations: Inclusion of women, youth, PwD and vulnerable groups
4. Integration of jobs and social protection into sectoral policies and value chains

### Deep-Dive 2: Designing and Applying Integrated Approaches - Parallel sessions: Integrated approaches for transitions and key sectors

1. Care and Support Sector
2. Agri-food Transformation
3. Green and Energy Transition
4. Structural transformations

Plenary sessions
